

PRODUCT CODE: PAF-0033 (S), PAF-1010 (M), PAF-0027 (L)

PRODUCT NAME: CleanSpace™ Half Mask (S, M, L)

Description

The CleanSpace Half Masks are specifically designed to work to complete the CleanSpace PAPR system. Compatible with all CleanSpace Respirators, the Half Masks clip quickly onto the power units and are easily unclipped for cleaning. The Half Masks are made of soft silicone that readily moulds to the face and does not cause allergic dermatitis.

IMPORTANT: If you are using a CleanSpace EX PAPR please consult your site Intrinsically Safe approvals. These Half Masks are not certified intrinsically safe.

Approvals

Compatible with ALL CleanSpace PAPR power units

Standard

AS/NZS1716: 2012
EN 12942
IP Rating 66

Classification

PAPR-P3

Limitations

CleanSpace respirators are air filtering, fan assisted positive pressure masks and designed to be worn in environments where there is sufficient oxygen to breathe safely. Do not use the CleanSpace in IDLH atmospheres, to protect against gases/vapours that cannot be filtered, or in Oxygen enriched or deficient atmospheres.
